

February 2, 2016: Electoral Board - Training of Election Officers

Present: Chairman, Mabel Lewis; Secretary, Lori Webb; General Registrar, Halle Keyser

Training starts at 1003. The Westmoreland electoral board chairman, secretary and general registrar are guests at Richmond County's dual primary training.

Mabel informs the election officers that the electoral board can swear them in and we will do so after training.

Halle divided everyone into precincts and passed out training materials.

The handouts included a layout of how the polling places will be setup. The precinct individuals reviewed the floor plans and told Halle what they thought should be adjusted. Next the different polls were directed to list something from the November election that made the task less stressful while using the Hart machines, any list any suggestions they would give to Westmoreland.

Mabel and I administered the oath to the election officers.
