Re: Public Service Announcement:

Due to the COVID-19 pandemic, some Richmond County citizens may find themselves in financial hardships such as unemployment, loss of income, or childcare issues. During this crisis, I, Vanesa Livingstone, Director of Richmond County Department of Social Services, would recommend that any citizen financially impacted by this pandemic apply for assistance through our department. Our office is currently closed to visitors, but we are continuing to process applications submitted online and we are available by telephone to address any questions or concerns. I would encourage everyone that was affected by this pandemic to apply. Richmond County Department of Social Services adheres to confidentiality and your right to privacy. If you are interested in applying, please visit www.commonhelp.com or call (804)-333-4088.

Thank you,
